Le Fevre Kindergarten

Fee Payment Policy

Fees are charged at Le Fevre Kindergarten in accordance with the Department of Education and Child Development’s Preschool Fees Policy, 2012.

Fees are charged for all children attending Le Fevre Kindergarten to assist with materials and services expenses. As Le Fevre Kindergarten is operated by the Department of Education and Child Development, a yearly budget is provided and staff salaries are paid by the Department. The kindergarten relies on parental financial support, including the payment of fees and fundraising, to assist with the financial running of the centre, paying for utilities such as telephone, power, water, purchasing equipment and resources, cleaning and garden maintenance.

“The fee is a contribution towards the cost of an individual child undertaking the program and items and services that are funded (eg, through State of Commonwealth Government gants/programs) are not included in the fee.” - DECD Preschool Fees Policy 2012

At Le Fevre Kindergarten, additional fees are charged for families using the lunch time care facility to cover the cost of the lunchcare worker. Lunchtime care is not part of the educational program at Le Fevre Kindergarten, therefore non-payment of the lunchtime fee will result in the loss of a lunchtime position. As there is a high demand for lunchtime positions, lunchtime fee payment is essential to secure a position.

Fees for using the lunchtime care facility

- $5 per session per week
  (ie if a child attends 1 lunchtime per week it is $5 week, if they attend 2 lunchtime sessions per week it is $10 per week)

Lunchtime fees are additional to term fees and must be paid to secure ongoing term lunchtime positions.
