Welcome to the start of term 1 2016. This year we welcome 56 families, some of whom it is their first experience of the education system that their children will be part of for the next 12 years. For others, they are returning to our kindergarten with children who have had siblings attend Le Fevre Kindergarten and it is good to see both new and not so new families and children starting at the beginning of the school year. Already we have been planning new and exciting learning experiences for the children with some of the core teaching and learning elements that make our curriculum. As the term progresses, we will be closely observing the children, getting to know them and their families, their interests and needs and building our learning program around this.

**Kindergarten Fees.**
The payment of kindergarten fees enables the kindergarten to meet the financial commitments for the everyday running of the centre, provides quality materials and equipment as well as supplementing the financial support given by the Education Department. Kindergarten fees for 2016 for the term and for those using lunchtime care are now due and invoices will be put in your child’s notice pocket by the end of week 1. We have payment options of cash, cheque or direct bank deposit and centrelink payments or there is a weekly payment option. Details are on the payment notes. Unfortunately we do not have EFTPOS facilities.

Lunchtime care is not included in the funded educational program offered by the centre and we pay a lunchtime carer from our own funds hence a lunch time fee if your child stays full days. **As there is a high demand for lunchtime places, non payment of lunch fees will result in a loss of a lunch place. Prompt payment of fees is requested. Kindergarten fees are due on March 4.**

**Governing Council.**
The Governing Council is an elected group of parent members who work with the centre staff and contribute to setting the direction and goals of the kindergarten. Being involved with the Governing Council enables you to have a greater insight and voice in the running of the kindergarten, a deeper knowledge and understanding of Departmental direction and policy and the opportunity to meet other parents.

The **ANNUAL GENERAL MEETING** for 2016 to be held on Tuesday, February 23 at 7.pm. At the Annual General Meeting, a review of the previous year is presented by the Director and a new governing council is elected. Membership is by nomination and election at the Annual General Meeting. All positions on the governing council will be declared vacant and we will be looking to fill all council positions including a chairperson, vice chairperson, secretary, treasurer, playgroup coordinator and governing council general members. All people interested in becoming involved with the governing council do need to have appropriate department recognised screening checks and this can be arranged through the kindergarten if needed. Please consider becoming a member of the kindergarten governing council.

A separate note will be sent out regarding the AGM.

**Parent Information Evening**
A parent information evening will be held on Wednesday, February 10 at 7.pm at the kindergarten. Things you need to know during your child’s time at kindergarten.

* **NO Hat No Outside Play**—please send your child with a named, sun safe approved hat (broad brimmed, legonnaire or bucket) every day. We have no spare hats. Hats need to be worn every day in Term 1 & 4 and other times when the UV rays are 3 & over. Please read the “daily hat wearing indicator” to know when the UV rays are 3 & over and hats need to be worn.

* **Apply sunscreen** when the UV rays are 3 & over before attending kindergarten. Do not leave sunscreen in children’s bags. Staff will apply sunscreen to children who stay full day after lunch in Term 1 & 4. We use a recommended Coles brand 50+ sunscreen. If your child has any allergies, please supply your own sunscreen and give it to a staff member for storage.

* If children required **medication** during their time at kindergarten, please give all medicines to a staff member so a medication form can be signed and all medicines are put out of reach of children. **Please do not leave any medication in children’s bags.**

* Children with identified **asthma** need to have their asthma plan and medication at kindergarten. Staff keep all medication in labelled boxes in a storage cupboard.

* Please ensure the **kindergarten gate** is closed and you do not let children other than your own through the gate. We do not want children leaving the kindergarten unaccompanied or children running out through the gate.
